Date: 08.02.2024

## **PUBLIC NOTICE**

**Subject:- Hostel accommodation for Post-graduate Medical Students - reg.**

As per the regulation 5.6 of the Post Graduate Medical Education Regulation (PGMER), 2023, "It will be mandatory for the college to provide appropriate residential accommodation to post-graduate students. However, it will not be mandatory for the post-graduate students to stay in the hostel."

Similarly, there was no such provisions in the PGMER, 2000 for mandatory stay of the PG Medical Students in the hostel offered by the college .

2. However, numbers of complaints have been received from PG students alleging that the Medical Colleges/Institutions are compelling them to stay in the hostel offered by the Medical Colleges/ Institutions and hefty amount is being charged on this account. This is a violation of Regulation 5.6 of the PGMER, 2023.

3. Hence, all the Medical Colleges and Institutes are directed to take cognizance of the above-mentioned regulation, failing which NMC may take action as per Regulations 9.1 and 9.2 of the PGMER, 2023 which includes monetary penalty, reduction of seats, stoppage of admission etc.

4. This issues with the approval of competent Authority.
